

Ben Boutros

As a multidisciplinary and entrepreneurial designer with a purpose-driven approach to creating exceptional designs, I have a passion for pushing the boundaries of creativity and craftsmanship. Accomplished as an apparel, material and graphic designer I thrive at the intersection of aesthetics, innovation, and functionality. With a deep commitment to product innovation and a belief that every design should serve a purpose and tell a story.

Additionally, as a furniture designer, skilled craftsman and business owner, I bring a unique perspective that combines aesthetics, functionality, and entrepreneurial acumen.

Known for my ability to bring original concepts to life and drive business growth, I strive to create exceptional designs that resonate with clients and consumers alike.
